

**FY07 Air Force Reserve Lieutenant Colonel Line and Non-Line
Other-than-Selected Reserve Mandatory Promotion Boards
12 - 16 June 2006
FACT SHEET**

This fact sheet provides data that indicates competitiveness for selection at this board. Due to the quota nature of the promotion board process driven by the needs of the Air Force, the data is different from year to year. Therefore, this data may not be a reliable predictor of selection at future boards. The fact sheets are organized by competitive category. Selected Reserve (SelRes) officers are considered separately from those not in the SelRes (Cat E and S7).

PRF

The first set of data presented is the promotion recommendation received from the senior rater via AF Form 709 *Promotion Recommendation*: DP - Definitely Promote and P - Promote. By AFI 36-2406 *Officer and Enlisted Evaluation Systems* a DP recommendation means that the strength of the ratee's performance and performance-based potential warrants promotion, while a P means that the ratee is qualified for promotion.

OPR Currency

Currency of the Officer Performance Report (OPR) is indicated by three categories: Latest OPRs with close-out dates within 1 year of the convening date of the board, latest OPRs closing out between 12 and 18 months of the board, and latest OPRs that close-out between 18 and 24 months of the board.

Satisfactory Reserve Participation

Participation is in terms of Satisfactory R/R Years. A satisfactory year, or a good year, is indicated by 50+ participation points earned in the last reported year. The next category is good years for both of the last two reported years. Likewise, the next category is good years for the last three reported years.

Developmental Education

Intermediate Developmental Education (IDE) is the requisite level for the lieutenant colonels board. Developmental Education (DE) must be completed and recorded by the date the Officer Selection Briefs for the board are printed (the week before the board).

Education

For the BSC, MSC and the Nurse Corps, there are five categories: bachelor's degree, bachelor's plus (represents significant work toward an advanced degree), professional degrees, master's degrees and all degrees above a master's (e.g., Ph.D.). For Chaplain, Medical Corps and Dental Corps we break down the professional degree levels. Education information is masked for the Line and Line – Judge Advocate boards.

Highest Decoration

There are seven decoration categories. First is all medals higher than the Meritorious Service Medal (MSM), then Meritorious Service Medal, Air Medal, Aerial Achievement Medal, Air

Force Commendation Medal (AFCM), Air Force Achievement Medal (AFAM), and no decorations received at least equivalent to Achievement Medal or higher. Equivalent joint decorations and equivalent decorations from other services are also counted here.

New this year is a currency analysis of the highest decoration. The year the decoration was awarded is tracked. Reported categories are decoration awarded within the calendar year the promotion selection board convened or the year previous, decoration awarded 2 – 3 years prior to the board convening, and decoration awarded 4 – 6 years prior to the board.

Commander Information

The two commander categories are Sitting Commander and Commander Experience as determined by AFSC information (duty, primary, secondary and tertiary information).

Duty AFSC

The categories are 4-level (staff), 3-level (qualified / aircraft commander), 2-level (intermediate / qualified pilot), 1-level (entry / student) and 0-level (special duty / reporting identifiers). These categories exclude sitting commander numbers.

Deployment

Deployments on the officer selection brief meet all of the following criteria: deployed after 11 September 2001, deployed in support of a named contingency with position identification on a contingency employment manning order, and deployed for 45 days or more. Categories for this analysis are no deployments, 1 – 2 deployments, and 3 – 5 deployments.

Examples

Percentages in the “Considered” column refer to those considered by the promotion board while percentages in the “Selected” column refer to those selected for promotion by the board. For example, in the Overall group, of the 296 Line majors considered by the board 39% (115) completed IDE while all of those selected for promotion to lieutenant colonel (70) completed IDE.

DO NOT ASSUME that “filling the squares” in the tables will guarantee a promotion!!!

The members of the promotion selection board use the “Whole Person Concept” and consider the entire record of each individual. Not all those who completed IDE were selected, a few officers were selected who did not complete IDE but did complete Basic Developmental Education and a very few were selected who did not complete any Developmental Education at all.

In addition to a current OPR, both had satisfactory participation in the two reported years prior to the board, completed a second professional degree, and a Meritorious Service Medal in the record as highest decoration.
